

## Harmonized System Codes assigned to chemicals in Annex III to the Rotterdam Convention

The World Customs Organization in June 2004 adopted amendments to the Harmonized System (HS) nomenclature and has assigned specific HS codes to the individual chemicals or groups of chemicals listed in Annex III to the Rotterdam Convention. These amendments will enter into force on 1 January 2007.

The secretariat is pleased to provide information relating to the HS codes applying to the individual chemicals or groups of chemicals listed in Annex III of the Rotterdam Convention. The accuracy of this information has now been verified by the World Customs Organisation.
